

TRADITIONAL CANVAS

CELEBRATE TRADITIONALLY UNDER CANVAS

A Mudford cotton canvas marquee is as quintessentially English as strawberries and cream at Wimbledon and morning suits at Royal Ascot. With their sweeping lines, spacious interiors and exposed timber poles, the stylish sophistication of canvas provides a classic natural environment for traditional weddings, parties and country events.

TRADITIONAL CANVAS

Traditional marquees are versatile in many ways; aesthetically pleasing and outstandingly popular for weddings, balls and parties. We are approaching two century's of experience in fulfilling the specific needs of our customers with a broad range of sizes and configurations to choose from. Wall sections can be removed to provide expanded access and allow views across the countryside.

Manufactured from naturally woven cotton, our canvas marquees are cooler and less humid in hot weather. Traditional marquees are available in 20ft, 30ft, 40ft and 50ft widths and increase in length in 20ft sections (allow an extra 4ft all round for stakes and side ropes when calculating the space requirements). These marquees are easy to transport, quick to erect, visually pleasing and constitute good value for money.
