

Strength through shape

The Matrix is a state of the art membrane structure.

The Matrix expands in two directions to allow many configurations. and, if you need top class temporary structures for exhibition, hospitality or road shows, parties and weddings the Matrix has the ability to suit each.

Available in 12m (40ft), 18m (60ft) and 30m (100ft) widths and unlimited length.

3 metre distance between poles allows for easier access.

Stylish and eye-catching design.

Inline Layout - one pole

12m x 12m (40ft x 40ft)

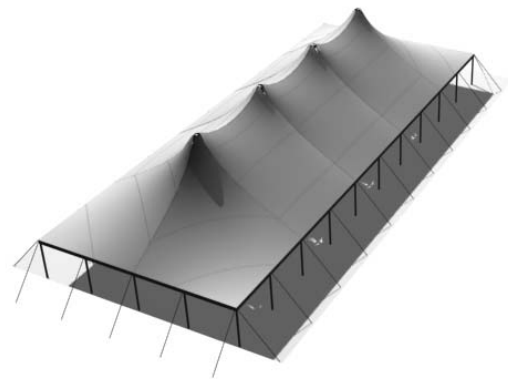

Inline Layout - one pole

12m x 18m (40ft x 60ft)
