

# Wedded bliss

# The most important day of your life

A marquee is one of the few venues that offer complete freedom of choice and total control over the design, layout and timing of your special day.

George Mudford & Sons Ltd realise the importance of your wedding day and understand that everything must be perfect in every detail, we also realise that you only have one chance to get it right and that we will play an important role in the success of your day.

We have covered weddings for different generations of the same family, because nobody better understands that this day should be the most moving and memorable event of one's life.

We'll make sure the venue is exactly how you dreamt it would be, because nobody better understands that this day belongs to you.

- Excellent marquees and equipment
- Luxurious linings  
(New range of curtain swags and drapes now available)
